OBJECTIVE

B.Tech Information Technology student passionate about software development and technology-driven problem solving, with strong skills in Java, SQL, web development, and UI/UX design. Committed to building efficient solutions, learning continuously, and adapting to emerging technologies.

EDUCATION

2023 - 2027

RVS College of Engineering and Technology, Coimbatore.

- B.Tech Information Technology.
  CGPA - 8.17

2021 - 2023

Jaivabai Municipal Girls Higher Secondary School, Tiruppur.

- HSC & SSLC

PROJECTS

1. Online Voting System (Link)

- Developed a Java-based voting system with JDBC and MySQL for efficient voter and vote management.
- Implemented authentication and CRUD operations for secure and reliable data handling.

2. Online Tution & Tutor Booking System (Link)

- Developed a responsive role-based tuition platform with tutor discovery, booking, and dashboard management.
- Crafted Figma-based UI/UX designs and converted them into interactive web interfaces using HTML5, CSS3, and JavaScript.

SKILLS

Programming Languages: Java, SQL.

Technologies: HTML5, CSS3, JavaScript(React.js), JDBC, UI/UX.

Tools & Platforms: GitHub, MySQL, Power BI, MS Excel, VS Code, Figma.

Soft Skills: Team Management, Analytical Thinking, Adaptability, Continuous Learning.

INTERNSHIP EXPERIENCE

1. Frontend Web Development **Jan 2025 – Feb 2025**

- Crafted responsive and interactive UI components using React.js, HTML5, and CSS3, strengthening practical frontend development skills.
- Translated design concepts into clean, user-focused interfaces while collaborating with the development team on implementation requirements.

2.Java Full Stack Developer **Jul 2026 – Aug 2026**

- Developed and integrated Java-based applications using frontend technologies and database concepts, gaining hands-on full-stack development experience.
- Applied Java, SQL, HTML, and CSS to build functional interfaces and strengthen backend integration and problem-solving skills.

LANGUAGES

- English
- Tamil

CERTIFICATIES

- UI/UX Design MasterClass — NoviTech R&D Pvt. Ltd.
- SQL Mastery with MySQL — Learnz Development
- HTML5 - The Language — Infosys Springboard.
